

Timberwolf Archery is seeking a part-time bow technician and archery range assistant.

Responsibilities Include:

- Be knowledgeable to answer questions concerning location, price and use of merchandise
- Set up bows with accessories
- Communicate process of repair and suggestions for ongoing maintenance
- Welcome, greet and address customers in a friendly and courteous manner while providing prompt and outstanding service to customers
- Contribute to a work environment that promotes personal growth and positivity
- Assist in range duties that include communicating proper form and function when shooting a bow
- Communicate safety procedures to archers participating in activities

Requirements Include:

- Capability to draw back a bow of 70lbs or more
- Ability to speak effectively to customers concerning their equipment and maintenance
- Be professional in appearance and attitude, contribute to a positive team atmosphere and treat others with respect and consideration
- Be able to give instruction to archers in the range
- Must be able to take SafeSport and Range Online Instruction Class (No cost to employee)
- Must be committed and dependable

Experience is desired but not required.

Salary: \$12-14 per hour, depending on level of experience.

Benefits Include: Discounts on archery equipment and range, fun environment in which to work, and advancement opportunities as Timberwolf Archery continues to grow.

Schedule: 25 hours per week to start; subject to change during our busy season which occurs July-January

Wednesday 11-6pm

Thursday 11-6pm

Friday 11-6pm

Saturday 9-1pm

Location of employment: 12681 Hwy 99, Rockvale, TN 37153
